Grace and peace be unto you from God our Father and the Lord Jesus Christ.

On behalf of our Trustees, Faculty, and Staff, I greet you and thank you for taking the time to consider the Mississippi Baptist Seminary and Bible College (MBSBC) for your Christian education and leadership development.

Founded in 1944, the MBSBC has been on a great adventure to equip local pastors and lay leaders with sound biblical doctrine for the edification of the Lord's Church, His people, and the communities we are called to serve. We offer an array of undergraduate and graduate level courses and degrees through our main campus and our extension campuses. Throughout the years the MBSBC has been a blessing to many preachers and students of the Word seeking a more faithful and competent approach to Gospel ministry. We hope you will be in that number!

As you peruse the Spring 2017 semester course offerings, please be prayerful and Spirit-led about which course or courses to sign up for. *We are excited to welcome our newest extension in Canton!* Courses for this extension are included. We long to be a blessing to you and desire for you to get the most from what we offer. Please also note that we are offering seminars at the Jackson campus instead of the traditional courses. These offerings, along with the wonderful courses being offered at our extension sites, will surely enrich your discipleship and your ministry no matter your age or stage.
